Water Baptism

Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit. *Matthew 28:19*

The next water baptism is scheduled during the weekend services September 25/26.

The water baptism questionnaire must be completed and returned by September 19.

In the new building, the baptistery is located directly outside the auditorium along Main Street. This will allow for a more personal experience while cameras broadcast the event onto screens located inside the auditorium. We encourage you to invite your family, friends, and small group members to be at the baptistery with you for this special experience, and to bring their cameras.

Clothing should be dark colored and modest when wet. No shorts or swimsuits. We suggest you come dressed in the clothes you will wear to be baptized, then you will only need to change your clothing once rather than twice.

Towel will be provided for your use on stage as you exit the water, but bring your own towel to use when changing.

Changing Room entrance is to the immediate right of the baptistery.

Pre-Service Teaching and Instructions in the Legacy Room thirty minutes before the start of service, led by Pastor Don Neff. It is very important that you arrive at WC with enough time to put your dry change of clothing in the appropriate (male or female) changing room and get checked in by:

6:30pm Saturday
8:30am Sunday First
10:30am Sunday Second

Directions to the Legacy room: From the East entrance, just past the host center on the left.

Thanks, and remember:

- **Return the completed questionnaire by September 19.**
- **Please be prompt for the pre-service teaching**

THANK YOU!
