

## Same Church, New Home, Week 2

[July 3/4 Notes]

1. From the time America was established, people came to this country searching for freedom - freedom of religion, freedom of speech, freedom to bear arms, and all the other freedoms we enjoy.
2. Every time we see one of our brave men and women in uniform - those serving in the armed services - it reminds us of the high price that has been paid for our freedom.
3. This very moment, our troops around the world are standing guard against those who would dare to attack our way of life and everything we hold dear.
4. Ben Franklin said, "Those who give up liberty for safety, deserve neither liberty nor safety!"
5. We must guard against apathy, and never forget that much of the world doesn't enjoy the political and religious freedoms we take for granted.
6. A high price was paid for our country's freedom, but a high price was also paid for our freedom as Christians.
7. Christ has set us free, so let us take our stand, never again let Satan put a harness of bondage on us.
8. To be free in Jesus is to be free of the accusations of the devil.
9. The Spirit of life in Christ Jesus is now resident in the heart of the believer. Jesus Christ in you the hope of glory.
10. To be free in Jesus is: to know that my sins are cancelled and erased; all the charges have been dropped against me; I am no longer under the rule of Satan.
